## Mbali Mtimkulu

Address: 2754 Xorile Street, Zola South | Mobile: 076 293 5937 | Email: [mz.mthimkhulu@gmail.com](mailto:mz.mthimkhulu@gmail.com)

### CAREER OBJECTIVE

I am currently a recruit at Umuzi.org doing Web development and acquiring skills in JavaScript, HTML, CSS, Postgres, ES6 JavaScript, unit testing using Jasmine, making use of Git and GitHub for version control, and working in an agile environment to meet goals. I have completed a Software Development Cause with CTU Careers, I acquired skills in SQL, MySQL, and Software development skills. I am a certified Microsoft C# programmer, seeking to use my technical knowledge and skills to grow in a new role. I am perusing a career which will allow me to grow as an individual and contribute to the growth of the company using my IT skills. I am passionate about Technology, and I am willing to learn new skills.
